It's OUR TURN.

Have you ever seen one of these?

Some day soon..
HE'LL BE SHOOTING MY BULLETS
To those valiant young air men who live dangerously—their guns spitting death—go our prayers, our eternal gratitude and the weapons of victory.
We at home, facing only petty inconveniences—minor disruptions of our normal routine—must translate our dollars into bullets—machine guns—tanks—planes—ships—the weapons our boys need to fight a good fight—to wage victorious war.
Everywhere in Canada today, men and women are hurrying to lend every dollar they can—hurrying to make their investment in VICTORY!
Buy your bonds TODAY so that tonight you can say—"someday soon he'll be shooting my bullets."
HOW TO BUY—Give your order to the Victory Loan salesman who calls on you. Or place it in the hands of any branch of any bank, or give it to any trust company. Or send it to your local Victory Loan Headquarters. Or you can authorize your employer to start a regular payroll savings plan for you. Bonds may be bought in denominations of $50, $100, $500, $1,000 and larger. Salesman, bank, trust company or your local Victory Loan Headquarters will be glad to give you every assistance in making out your order form.

"Don't Kid Yourself!
We could lose this War!"
Ma'am, if you think this war's a cinch, better read your paper or listen to the radio. You'll change your mind—quick.
If you think we're going to march to Berlin and Tokio just because we're right—forget it!
People just as clean and decent as we are—just as righteous—just as patriotic, have been ground to the dust under the hob-nailed boots of other people trained and toughened for one
And if, every payday, we don't set aside every nickel, dime, or dollar we can possibly scrape together for War Bonds, we're letting our boys down.
That's the truth, every word of it—and we know it!

I spent the morning handing out dinners, new socks, and toilet paper to the homeless population around Baltimore. I have $27 to my name, $25 is going to Sidney so she can fight in my place.

Please do what you can, skip a cup of coffee, walk past the vending machine, these small sacrifices can contribute a few dollars. these small tokens are nothing compared to what others have sacrificed for us, but can help Sidney, and team, continue fighting for us. Thank you!🙏

12/ One of the best things out of @ericries's Lean Startup is the concept of "vanity metrics" - unimportant, inflated metrics that don't have much to do with business value. But the effects of using them are different when you're a startup versus a big co.

13/ For big, established companies, focusing on vanity metrics is silly but not harmful. Everyone's thrown up a huge number to celebrate for an offsite. I get it. But for startups who are pre-product/market fit, it can lead down a path towards

This "Telemedicine" online care isn't going to work for me. I've been trying to schedule a routine exam and every doctors office hangs up on me! I don't know why🤷 "Doctors office, can I help you?" "Hi, Doctor Kaboos sent me, I'd like to schedule a THOROUGH prostate exam,

and I want it Online, you know, for safety😉" That's when they scream and hang up. I guess the Heavy Breathing doesn't help🤣🤣🤣🤣 Darn Covid!

We will win this! 🙏 President Trump is the rightful and clear winner of the 2020 election. But look at where we are now. I expect the Deep State Dems to lie, cheat, steal. Honestly I would be shocked if they didn't. We will overcome this situation, the president has an excellent
